**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a Sonic customer and rely on their service. I support broadband competition because this benefits the consumer. Sonic is critical for my home business and career. I am against price hikes for internet and telephone services. I haves used Sonic for two years and do not want to change providers.

Sincerely,

Tom Chien
